

Northeast Florida Dressage Championships
Qualifier Update July 2012

Dear Members,

Below is the list of riders who have earned one or both scores for Championships. Please look over the list and let me know ASAP if you are missing a score etc. I am going off the reported show results, but even those sometimes have errors. We will offer two more chances for you to earn your scores. The dates of the next two qualifiers are: September 15 and October 20. Both shows will be held at Clay County Fairgrounds. The Championship show will be held November 17 in conjunction with our third and final schooling show of the year. We have MANY members with one score earned, so work hard this summer and get that second score!
